SPECIAL FILMING CONDITIONS
SYBIL BRAND INSTITUTE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Sybil Brand Institute, at the County Sheriff's complex, east of downtown Los Angeles in the City of Monterey Park, was the primary Los Angeles County correctional facility for women before it closed in 1997. Built in 1963, Sybil Brand was a minimum to maximum security facility, with a design capacity of 900, and a peak occupancy of 2,800. It offers modern looking prison rooms including cafeterias, hallways, recreation areas, visiting areas, infirmaries, and cells from solitary confinement to dormitories.

PRE PRODUCTION:

- All scouting will be coordinated through the Los Angeles County Sheriff's Department. Contact Marsha Townsend to schedule a date and time. The fee for scouting the facility is $344.97 (Reimbursement for Deputy to accompany production to facility)

- Facilities Bureau offices are located on the property so some areas will be off-limits. K-9 training is also done on certain days so those days will be off-limits.

- No scouting will be allowed while there is filming taking place at the facility.

- **Production Companies must reserve their dates with Marsha Townsend and will be charged a non-refundable deposit/maintenance fee.**
    - Fees for reserving the jail are as follows:
        - $ 500 (1 day)
        - $1000 (2 days)
        - $1500 (3-15 days)

- **During the tech scout, the production company must provide all anticipated filming activity information.** This information should include, but not be limited to, areas to be used for filming, lighting design, movements of cast and crew, equipment storage, equipment parking, catering, base camp, etc.

- **The production company must submit a permit to FilmL.A.** including, but not limited to, areas to be used for filming & equipment storage areas. The permit must reflect all activity at Sybil Brand Jail and surrounding areas. Activity other than what is listed on the permit will not be allowed.

- Production companies MUST submit their dates and hours 7 to 10 days before the date they are assigned to be at Sybil Brand to Prep, Film and Strike.

PRODUCTION CONDITIONS:

- Two (2) Deputy Sheriff's will be assigned during all prep, filming and strike days.

- A City of Monterey Park permit is required which is coordinated through FilmL.A.
